

Terronics Employee Crowned Indiana State Ladies 8 Ball Champion

Indiana Amusement & Music Operators Association (IAMOA), Valley 8 Ball State Pool Tournament annually brings Indiana's and surrounding state's top pool players to the Marriott East hotel in Indianapolis, Indiana. This is a 5 day long event and can wear out the most fit and talented of pool players.

Terronics employee and seasoned pool player, Jennifer Swenson, started her first event, the Ladies Singles division on Wednesday, March 30th. After 2 days of battle with many of the other top ladies in Indiana and surrounding states, Jennifer was able to fight off the fatigue and nerves and take home the title of Ladies Division State Champion.

Jennifer also played on team "Full of BS" along with Carrie Welling (captain), Shay Meadows-Lehman, and Crystal Lowrance. In their first time playing a state pool tournament together, these ladies were very much in sync with each other. After 3 days of competing with many other teams and several close calls, team Full of BS was able to out perform their opponents and win the Ladies Team Division State Champion title, without losing a match.
